NEWSLETTER: Term 4 - 2025

Dear Parents

END OF TERM:

- Term 1 sessions commence Monday 2th February 2026 and conclude Wednesday 1st April 2026.

TERM 1 FEES:

Session fee: \$110 per student per session

Day	Mon, Thurs, Fri	Tue, Wed
Lesson number	8	9
Cost \$	\$880.00	\$990

Fees can still be paid in cash (our preferred option), either upfront in one lump sum or weekly. Just a quick reminder that all scheduled sessions are charged, even if a student is unable to attend. Please advise of a student's inability to attend as early as possible to Kim on 0438 363 914. Any session not undertaken due to the absence of the tutor will be credited or a make-up session provided where possible.

It is completely understandable that families unable to pay up front fees and this is not an expectation. If fees aren't paid in full at the start of term, we kindly ask that each consultation be paid at the start of each session. This helps keep things running smoothly for everyone.

Thank you so much for your understanding and support.

Dates to remember:

Monday 9th March – Labour Day

Thursday 2nd April – no sessions

CENTRE NEWS:

Existing students have been provided with 'Parent Portal' access for some weeks now and reports regarding the benefits and usefulness of the on-line resources, courses and random tidbits has been extremely positive. I thank all parents for their feedback. Please remember that the site's educational resources are an evolving work in progress. More content will become available with time. Should you find any 'boobos' etc, please feel free to bring them to my attention. My families are my 'chief editors'.

A once off annual fee to have access will be applied starting in 2026 and families will be provided an invoice in term 1 for this. I am excited to be able to offer this opportunity for families to have access to additional resources to support them in the child's journey. Find us at <https://trickybrains.com.au/>

Also, be sure to check out the Tricky Brains Facebook and Instagram pages to keep up with relevant news and exciting snippets of information about education, dyslexia, learning difficulties and more.

Make up sessions:

There are no make-up sessions available this school holidays as all available time have been allocated to the 'intensives' program. Please remember that make-up sessions will be provided when and where possible.

School Holiday Intensive Tuition:

Intensive remediation sessions will be offered in an 8-hour blocks offered over two-week of the Christmas break:

Session type	Session time	Number of sessions	Delivery duration	Dates	Times	Cost
8 hour intensive	1 hour / day	8 sessions	Two weeks	5, 6, 8 & 9 January 2026	9am – 10am 11:00am – 12:00pm 1:00pm – 2:00pm 3:00pm – 4 pm	\$440.00
				20 – 23 January 2026		\$440.00

All sessions have been prebooked. There are no further openings at this time.

Student Drop off and Pick Up

I would like to take the opportunity to remind everyone that the Tricky Brains office is a shared workspace and as such we request the use of inside voices when in the waiting room. Please try to drop your child off around 5 minutes before their session time starts. Because of the nature of session times and the need for hand over and preparation, Kim is not always available to take students in earlier than 5 minutes before their session start time and we all know that waiting can be tedious.

We appreciate your support in this matter.

Holiday Practice:

Remember, perfection is not the goal, and we should avoid placing undue pressure on ourselves or our children. Instead, focus on practice making 'permanent.' Every little bit of consistent effort helps.

I want to take this opportunity to wish everyone a safe and merry Christmas and holiday break. Enjoy the time with family and friends.

See you all in Term 1, 2026!

Warm Regards
Kim Dyson-Brown
